DETAILED ACTION

Drawings

1. Examiner has fully considered and accepts the new formal drawings, which were filed 29 April 2005.

Information Disclosure Statement

2. Examiner has fully considered all of the references listed in the Information Disclosure Statement filed 29 April 2005. A copy of said Information Disclosure Statement, initialed by Examiner, has been mailed with the present application.

Allowable Subject Matter

3. Claims 1-26 are allowed.

The following is an examiner's statement of reasons for allowance:

Since the claims have not been amended in the present Request for Continued Examination, the Reasons for Allowance given on pages 2-3 of the prior Notice of Allowability, dated 02 February 2005, still hold. Further, Examiner has not discovered any new prior art that would anticipate the claims or render the claims obvious to one of ordinary skill in the art at the time of the invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
